About Us

2012... The Woof-a-Thon event was founded by Wilma Spike. While many doubted such an event could actually come together and raise significant funds, Wilma forged ahead gathering friends and family to help her put on the event. Much to many people's surprise, not only did the event happen, but it raised over \$9000 for Northbeach PAWS, as we operated under their 501c3 umbrella.

Businesses came forward with support of funds and in-kind donations. Individuals sent in and collected donations and came from all over to support the event.

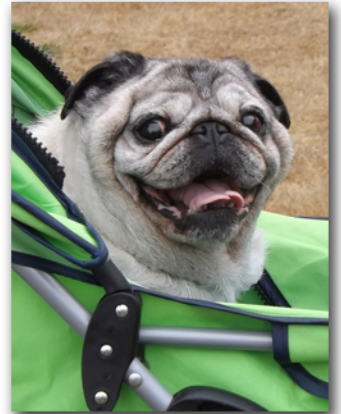

The sun shined down and everyone had a wonderful time. The year was a rousing success!

2013... The first event was such a hit, that Wilma and her crew decided to form their own non-profit organization. The 2013 event raised even more money and funded three very worthy charities. All are excited for the future of Ocean Shores Woof-a-Thon and all the good that can be done to help more needy animals.

2014... And our third year was bigger than ever! With new team leaders, more volunteers and increased enthusiasm we raised more money than ever and hosted even more attendees!

2015 & 2016 and beyond.. We continued our success! After expenses we cleared \$12000 in 2015 and \$10000 in 2016 to distribute among our four selected beneficiary organizations. More to come!

Our sincerest thanks to all those who have volunteered, coordinated, donated, sponsored and provided valuable advice and assistance. We couldn't do it without you! Bottom line, it's all to help the animals.

Choosing our Beneficiary Charities

Ocean Shores Woof-a-Thon accepts applications from animal related charities to be considered as a beneficiary of our fundraising. They must be from within the Grays Harbor area, be an approved or pending 501c3 charitable organization, and do work that benefits animals in need.

From the applicants the board selects one or more organizations that share the proceeds of our fundraising through the Woof-a-Thon event.

recent chosen charities: **PAWS of Grays Harbor, North Beach PAWS, Ocean Shores Food Bank and Harbor Rescue.**

Recent years we've raised over \$15,000! This year we hope for even more success.

Will you help us help the animals?
